## Informational Workshops

The West Coast Groundfish Trawl Fishery will now be managed under a new, innovative approach known as a catch share program to achieve long-term ecological and economic sustainability of fishery resources and fishing communities. NOAA Fisheries is hosting informal workshops to provide an overview of the new regulations and an opportunity for questions and answers.

### Workshops at PFMC meeting, September 13-14

DoubleTree Hotel Boise-Riverside, 2900 Chinden Blvd, Boise, Idaho

**Monday, September 13th, 7 - 9 pm**

Topics: Observer Requirements, Catch Monitors

**Tuesday, September 14th, 7 - 9 pm**

Topic: Application Process

### Additional workshops in California & Oregon

Brief presentations will include: Application Process, Quota Share/Quota Pound (QS/QP) Account Management, Observers, Catch Monitoring and Economic Data Collection. The presentations will be followed by an informal question and answer period.

**Half Moon Bay, Monday, September 20th, 1 - 4 pm**
